I. NOTICE TO DRIVERS

The Commercial Motor Vehicle Safety Act of 1986 provides for a new set of controls over the drivers of commercial vehicles.

The following provisions of this legislation become effective July 1, 1987:

1. No driver may possess more than one license, and no motor carrier may use a driver having more than one license. A limited exception is made for drivers who are subject to non resident licensing requirements of any state. This exception does not apply after December 31, 1989.
2. A driver convicted of a traffic violation (other than parking) must notify the motor carrier AND the state which issued the license to that driver of such conviction within 30 days.
3. Any person applying for a job as a commercial vehicle driver must inform the prospective employer of all previous employment as the driver of a commercial vehicle for the past 10 years, in addition to any other required information about the applicant's employment history.
4. Any violation is punishable by a fine not to exceed \$2,500. In addition, the Federal Motor Carrier Safety Regulations now require that a driver who loses any privilege to operate a commercial vehicle or who is disqualified from operating a commercial vehicle, must advise the motor carrier the next business day after receiving notification of such action.
